

FAIRWAY COLOR

BOOST COLOR WITHOUT EXCESSIVE GROWTH

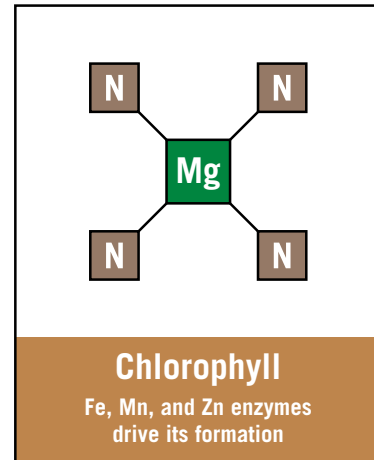

At various times throughout the season, fairway turf needs a boost in color without excessive growth. Power C and Largo deliver the key elements of color-enriching chlorophyll in a highly efficient and economical spray mix.

■ GROWTH AND COLOR

Power C₃ and **Power C₄** provide rapid color response from low rate nitrogen, molybdenum, and proprietary Power Plant technology for improved nutrient utilization.

■ TIGHT TURF AND DENSITY

Largo initiates rooting, stress tolerance, turf tightening, and chlorophyll enzyme activators with patented biostimulant technology.

powerplant 
organic acid technology

Power C₃ and Power C₄ contain Floratine's proprietary organic acid translocation technology to enhance uptake and utilization of nutrients.
